Report on the Financial Statements

We have audited the accompanying financial statements of Partnership for Children, which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Partnership for Children as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The 2012 financial statements were reviewed by us and our report thereon, dated October 19, 2012, stated we were not aware of any material modifications that should be made to those statements for them to be in accordance with accounting principles generally accepted in the United States of America. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements as a whole.

PARTNERSHIP FOR CHILDREN
NOTES TO FINANCIAL STATEMENTS
June 30, 2013 and 2012

NOTE A SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization. Intermountain of Helena and Youth Homes established Rocky Mountain Partnership for Children in 1999. The name was changed to Partnership for Children in the Fall of 2000. The Partnership provides services for Western Montana children who have experienced significant early childhood trauma.

The Partnership for Children's Rosemary Gallagher Children's Home and the Sherry Mahon Francetich Children's Home work with children ages 4-14, attempting to heal their pain, improve their social functioning and prepare them to return home or successfully transition into a foster-adoptive family. The Family Care Program works with biological, kinship, foster and adoptive families in their homes, stabilizing and supporting the relationship between the child and his or her caregivers.

Children the Partnership treats have demonstrated an inability to regulate their emotions and ensuing behaviors through a healthy adult child relationship due to early and significant abuse, neglect and disrupted caregiver relationships. Our purpose is to improve their emotional and social well-being so that they can succeed in a family. What has grown from the idea of merging Intermountain's clinical approach with the Youth Homes' knowledge of keeping children in the community, is now a fully-matured organization effective in treating young children and moving them from pain to family.

Each day the Partnership serves 12 children in two six-bed group homes and over 25 children and their families in the Therapeutic Family Care Program. Today, many of the children we serve are placed back home with birthparents, achieving healthy adult child relationships and safety, when the birth family is the best and most appropriate option.

Method of Accounting. The Partnership maintains its records on the accrual basis of accounting with revenues recorded when earned and expenses recorded when the obligation is incurred or the benefits are received.

Land, Buildings, Equipment and Depreciation. The Partnership capitalizes all expenditures for land, buildings, and equipment with a cost in excess of \$5,000, except donated fixed assets, which are stated at fair market value at the date of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets ranging from 5 to 27.5 years.

Contributions. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. However, donor-restricted contributions, whose restrictions are met in the same period as the restricted gift was received, are reported as an increase to unrestricted net assets.

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated values at date of receipt.

NOTE A SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Income Tax Status. The Partnership is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision is made for income taxes.

The Partnership applies generally accepted accounting principles for recognition of uncertainty in income taxes and prescribing a recognition threshold and measurement attribute for the recognition and measurement of a tax position taken or expected to be taken in a tax return. In the course of its assessment, the Partnership has determined that it is subject to examination of its income tax filings in the United States and state jurisdictions for the prior three tax years. In the event that the Partnership is assessed penalties and or interest, penalties will be charged to miscellaneous expense and interest will be charged to interest expense.

Cash. For purposes of the statements of cash flows, the Partnership considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

The Partnership maintains cash balances at several financial institutions. At times, balances may be in excess of the FDIC insurance limit.

Advertising. Advertising costs are expensed as incurred. Advertising expense was \$2,240 and \$3,430 for the years ended June 30, 2013 and 2012, respectively.

Fees Receivable. Fees receivable represent amounts owing to the Partnership from foster and Medicaid service contracts. Fees receivable are predominantly for shelter contracts with the Montana State Department of Family Services and reimbursable services through Medicaid.

The Partnership aggressively pursues payment for the first 120 days and claims are re-billed if the reason for denial can be disputed. Currently, the Partnership allows for 100% of receivables over 120 days. The provision for bad debts on these accounts was \$3,532 and \$11,143 as of June 30, 2013 and 2012, respectively.

Investments. The Partnership adopted Statement of Financial Accounting Standards (ASC-958-320), "Accounting for Certain Investments Held by Not-for-Profit Organizations." The provisions of this standard require that investments in equity securities with readily determinable fair values and all investments in debt securities be measured at fair value on the balance sheet. The unrealized gain or loss on investments is reflected in the statement of activities.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Financial Statement Presentation. The Partnership has adopted (ASC No. 958) "Financial Statements of Not-for-Profit Organizations." Under ASC No. 958, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

NOTE B FAIR VALUE MEASUREMENTS

ASC No. 820-10-35 requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC No. 820-10-35 establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. ASC No. 820-10-35 prioritizes the inputs into three levels that may be used to measure fair value:

- Level 1: Applies to assets or liabilities for which there are quoted prices in active markets for identical assets or liabilities.
- Level 2: Applies to assets or liabilities for which there are inputs other than quoted prices that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.
- Level 3: Applies to assets or liabilities for which there are unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended June 30, 2013.

- Mutual funds and money market: Valued at the net asset value of shares held by the Partnership.
- Equities, government securities, and bonds: Valued at fair value based on quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Partnership's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
